Re: Application for a Public Hearing
Sparta Zone
Krotz Springs Field
St. Landry Parish, Louisiana

Dear Mr. Commissioner:

Application is hereby made on behalf of **ETOCO, L.P.**, for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an Order pertaining to the following matters relating to the Sparta Zone, Reservoir B, in the Krotz Springs Field, St. Landry Parish, Louisiana:

1. To establish rules and regulations and create three (3) drilling and production units for the Sparta Zone, Reservoir B, for the exploration for and production of gas and condensate, such units to be designated SP RB SUA, SP RB SUB, and SP RB SUC.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate ETOCO, L.P., as operator of the proposed unit.
4. To designate the ETOCO, L.P. - Crawford No. 1 well as the unit well for proposed SP RB SU A.
5. To provide that any future wells drilled to the Sparta Zone, Reservoir B in Krotz Springs Field should be located in accordance with the spacing provisions of Statewide Order No. 29-E.
6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing, if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner.
7. To consider such other matters as may be pertinent.

The Sparta Zone, Krotz Springs Field, was previously defined in Office of Conservation Order No. 163-Q-1, effective December 5, 2006.

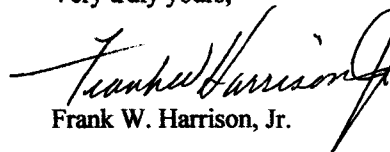

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from Frank W. Harrison, Jr., P. O. Box 51943, Lafayette, Louisiana, 70505, Telephone Number (337) 232-4031.

A prehearing conference to discuss the proposed application and any opposition thereto was held as scheduled at 10:30 A. M. on Wednesday, February 14, 2007, at the Petroleum Club of Lafayette, located at 111 Heymann Blvd., Lafayette, Louisiana, 70503. The conference was opened by Mr. Frank Harrison representing the Applicant, ETOCO, L.P. Mr. Harrison presented the applicant's proposed units and discussed the pertinent details of the proposal. Mr. Harrison also noted that additional surveys in the vicinity of the proposed units has required a correction in the location of the proposed unit well on the unit map. Some questions were asked by those in attendance and these were answered by Mr. Harrison. For the convenience of those in attendance Mr. Richard Revels introduced a proposal by Triumph Energy, Inc., for two new units that Triumph is planning to propose adjoining the ETOCO plan. A prehearing conference is scheduled to be held February 22 at the offices of Liskow and Lewis in Lafayette, Louisiana to discuss this proposal. Mr. Revels stated that Triumph does not plan to oppose the ETOCO plan. He then introduced Mr. David Comeaux who discussed the Triumph Energy proposal. After some questions and answers Mr. Harrison asked if there were any other proposals to be presented. There were none and Mr. Harrison closed the conference. We do not anticipate any objections to this application.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal and a list of the names and addresses of the Interested Owners, Interested Parties, and Represented Parties who attended the conference and to whom a copy of this notice is being furnished. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties, and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, ETOCO, L.P., in the amount of \$755.00 **made payable to the Office of Conservation** and representing the required hearing application fee.

Very truly yours,

Frank W. Harrison, Jr.
